

NAVIGATING THE INDIVIDUAL PROGRESS MONITORING REPORT

- 1 The solid line with a square at each end is the **Trend Line**, which shows the general direction or trend of student performance.
- 2 The student's **Goal Line** is indicated by longer dashes, which is determined by individual goals during the progress monitoring setup process.
- 3 The **Projection Line** shows how the student will continue to perform on the assessment into the future based on the current instruction provided.
- 4 The dots on the graph show the **student's score** each time they complete the progress monitoring assessment. Hover over each dot to see the exact date and score.
