DATA INTERPRETATION TOOL: SCREENING TO INTERVENTION REPORT

Use the questions on this Data Interpretation Tool as you examine the Screening to Intervention Report. This is a valuable tool to use during team meetings to analyze data and identify next steps.

01. What do we notice about the data?

02. Is there a skill recommendation for our group? If so, what is it?

03. What instructional needs do our students have?

04. What will we do to address the skill recommendation for the whole group?
